ACTIVITY 2

Which rule does this touch?

Work in pairs. Read the cards silently first. Tick every rule that applies, then swap sheets and put a red dot by any tick you would not have made.

Card	GDPR	DORA	Czech act	EU AI Act	None of these	One line: why	First call at CSOB (a role)
1 Samsung: the code that went to a chatbot							
2 Italy: the regulator's decision							
3 Air Canada: the chatbot the airline had to honour							
4 postmark-mcp: one line of code, 1,643 downloads							

Put one sticky on the wall chart for the card you are surest about: the rule and the role.
